

### Survey Guidelines:

CAGP will consider individual requests to circulate messages, solicitations or surveys to the membership on behalf of individuals or groups if they meet the following criteria:

- Must be a CAGP member who has renewed their dues for the current year (\$500.00 for non-members)
- Are broadly relevant to the practice of Geriatric Psychiatry in Canada, and deemed to be of general interest to the majority of the membership
- In the case of policy development, is supported by the CAGP Board as having potentially important implications for Geriatric Psychiatry in Canada
- In the case of research, is supported by the CAGP Board as having potentially important implications for Geriatric Psychiatry in Canada, and has undergone independent scientific and ethical review. Evidence of scientific assessment will include but not be limited to peer review reports from external funding agencies or local institutional research review boards. All proposals must be approved by the Research Ethics Board of the host institution.

### Notes

- CAGP does not circulate a survey link more than once, under any circumstances
- Dissemination of a survey link is free for CAGP members (\$500.00 for non-members)
- CAGP should be acknowledged in any future publication of the research
